

COVID: Open for Learning Plan – Term 2 2022

Notification to the Community – Confirmed case/s

School administration is advised that there is a student or staff member who has been confirmed as a positive case/s. This may occur directly from Health or where a parent confirms a positive PCR or RAT with the Principal.

Notification will be sent to the community through the following channels:

- School staff will be advised (confidential communication). The Board Chair and P&C President may also be advised in significant situations (confidential communication).
- SMS message and email sent to families where a confirmed positive case occurs in their child's class and the actions required to be taken.
- Communication to the community advising that there is a confirmed case/s by SchoolStream alert and email.
- SeeSaw/Connect posts will be also be added where information is specific to a class group or year level.
